This book demystifies the trading floor and financial markets using simple examples, real words and lots of true anecdotes. How the trading floor really works? — Terri Duhon Trading Floor Roles There are three types of people found on the trading floor: Floor brokers – These professionals are on the floor on behalf of their own clients, who are investors interested in... How Does the Stock Market Trading Floor Work? | Finance ... Women on the Trading Floor . . . Really? The trading floor isn't known for being the most balanced place in terms of gender. It has historically been very male-dominated. One female derivatives trader was surprised to hear her boss, on Bring Your Daughter to Work Day, say to his daughter, "Here are the boys. They're here to make money. Women on the Trading Floor . . . Really? - How the Trading ... While trading on the floor of the exchange is being quickly eroded by electronic trading platforms, the open outcry method of trading doesn't appear to be completely going away any time soon. Why are Traders on the Floor of the Exchange? A broker can be on the trading floor or can make trades by phone or electronically. An exchange is like a warehouse in which people buy and sell stocks. A person or computer must match each buy order to a sell order, and vice versa. Some exchanges work like auctions on an actual trading floor, and others match buyers to sellers electronically. How Online Trading Works | HowStuffWorks A: There are two key reasons the trading floor is opaque, sometimes even to those who work on the trading floor itself. The first reason is the language barrier. The world of trading financial products has its own vocabulary as well as style of communication. In effect, the trading floor has its own language. How the Trading Floor Really W (Bloomberg Financial ... How the Trading Floor Really Works Trading floors have always fascinated people, but few understand the role they play in the world of finance today. Given the recent financial crisis, it is more important than ever to understand not only what role banks play in financial markets, but why they take risk and how it all goes wrong. Terri Duhon Her time on the trading floor has been documented in the book Fool's Gold as well as by PBS's Frontline. In 2004, after 10 years on the trading floor in New York and London, Terri founded B&B Structured Finance Ltd, which provides expert consulting and financial markets training. How the Trading Floor Really Works by Terri Duhon ... A minute later, everything on the trading floor goes quiet. Everybody looks at the TV. On the TV, the secretary of agriculture walks up to a podium and reads the orange crop report. What Actually Happens At The End Of 'Trading Places ... Trading on the floor of the New York Stock Exchange (NYSE) is the image most people have, thanks to television and movie depictions of how the market works. When the market is open, you see hundreds of people rushing about shouting and gesturing to one another, talking on phones, watching monitors, and entering data into terminals.
