Education At The Crossroads A Yale Paperbound

Education At The Crossroads A For an encouraging and substantial discussion of education, turn to a book published fifty years ago: Jacques Maritain’s Education at the Crossroads (New Haven: Yale University Press, c. 1943). If only we had a truthful understanding of human nature and society, he thinks we might more effectively design healthy educational systems. Education at the Crossroads (The Terry Lectures Series ... Start your review of Education at the Crossroads. This is a great book, though its beneficial audience is limited to educators, students, people who haven't been educated, people who are being educated, people who should be educated, and people who need to be educated. Thus, the audience is, well, everyone. Education at the Crossroads by Jacques Maritain Yet the program has been at the heart of a pitched battle for survival over the past few years, with the teachers unions gunning for it at every turn. Today, American education stands at a... Education at a crossroads | The Heritage Foundation In today's rapidly changing, technology-driven business environment, the set of skills emphasized in the past is becoming relatively less relevant in comparison with the set of skills that are most desirable to employers and students. As a result, the authors believe that accounting education has come to a crossroads. ... Higher education is at a crossroads in Kenya ... government-led expansion of higher education and more information available to students on career prospects will help shake out our higher education. Higher education is at a crossroads in Kenya - The Standard Morocco is at a crossroads in its opportunity to gather information about its religious, ethnic, and cultural past. The unique cohabitation of the Abrahamic religions as recollected by the Moroccan people represents an exceptional history, and collecting such stories would expand cultural understanding and serve as a global example of social ...

You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles.
